Transcriber's Office

February 18, 1999 LB 380, 411

Committee has really a relatively minor change in the wording of the bill, suggested by the Health and Human Services System, that harmonizes the new language in the bill with existing language in the rest of the section. I would urge adoption of the amendment. Thank you, Mr. President.

SENATOR CUDABACK: Any further debate on the committee amendments? Senator Bromm.
